Monday, October 30th 7:00 PM

Park Avenue

461 Park Ave. (at 57th) • 212.980.6785

Contemporary life in New York - in all its forms and imperfections, is the subject of this acclaimed collection of essays written from the perspective of a 25-year-old Filipina publicist. With a pulse on the heart of New Yorkers, her essays are completely relatable as she writes about timeless truths - matters obscured by our deluded quest for money or shoved aside by mundane priorities. The collection offers old-fashioned wisdom, mingled with new-age wonder.

Contact the store for details and event guidelines.
